Metro/subway

The metro system lets you travel quickly and easily in Rotterdam and the surrounding areas. There are five lines (routes), each marked with their own letter (A-E), their own colour and with their final destinations. Beurs station is the biggest metro hub, where all the lines intersect. Line E (RandstadRail) connects Rotterdam with The Hague.

Tram

Tram lines 8, 7, 21, 23, 21, 23, 24 and 25 all travel through the centre. All trams converge at Central Station, the perfect place to get on the tram.

Bus

The RET provides several bus routes which connect the centre with several city districts, neighbourhoods and the greater metropolitan area. Check the RET website for further information about routes and stops.
